

Resources for Advancing Health Equity

March 2023

Compiled By:

Women, Infant & Community Wellness Section, NC Division of Public Health

NOTES:

Below are training opportunities to meet the annual training requirement focused on health equity, health disparities, and/or social determinants of health for the Women, Infant & Community Wellness Section.

If a web page does not open properly, try an alternate web browser like Mozilla Firefox or Google Chrome, copy and paste the web address into another web browser and/or contact your local IT staff.

When I see you through my eyes, I think we are different. When I see through my heart, I know we are the same.

~ Doe Zantamata
